Having trouble getting bar-chords and rhythm together?

Check out **Modern Guitar Chord Styles, Volume 2** - it will give you a systematic approach to learning about bar-chord forms and the way they are used across the fretboard, and includes plenty of good exercises to gradually build your finger/hand strength so you'll be able to play whole songs easily. Also includes strum patterns, rhythm reading, chord-change techniques, Power-chords and Rock melody-chords, plus a play-along CD. It's definitely the best Rock rhythm guitar book you'll find - check it out !
