## Having trouble with bar-chords & reading strumming patterns?

This is a good song for Electric-guitar beginners: all bar-chords but not too hard! (but hard work on acoustics). It uses a typical mix of the common Root 6 and Root 5 chord shapes, with easy Rock rhythms. To learn more Electric-guitar chords and rhythms check out *Modern Guitar Chord Styles, Volume 2*; its chock-full of insightful info and exercises to help refine your ability. Includes a handy reference CD to help you get there!
