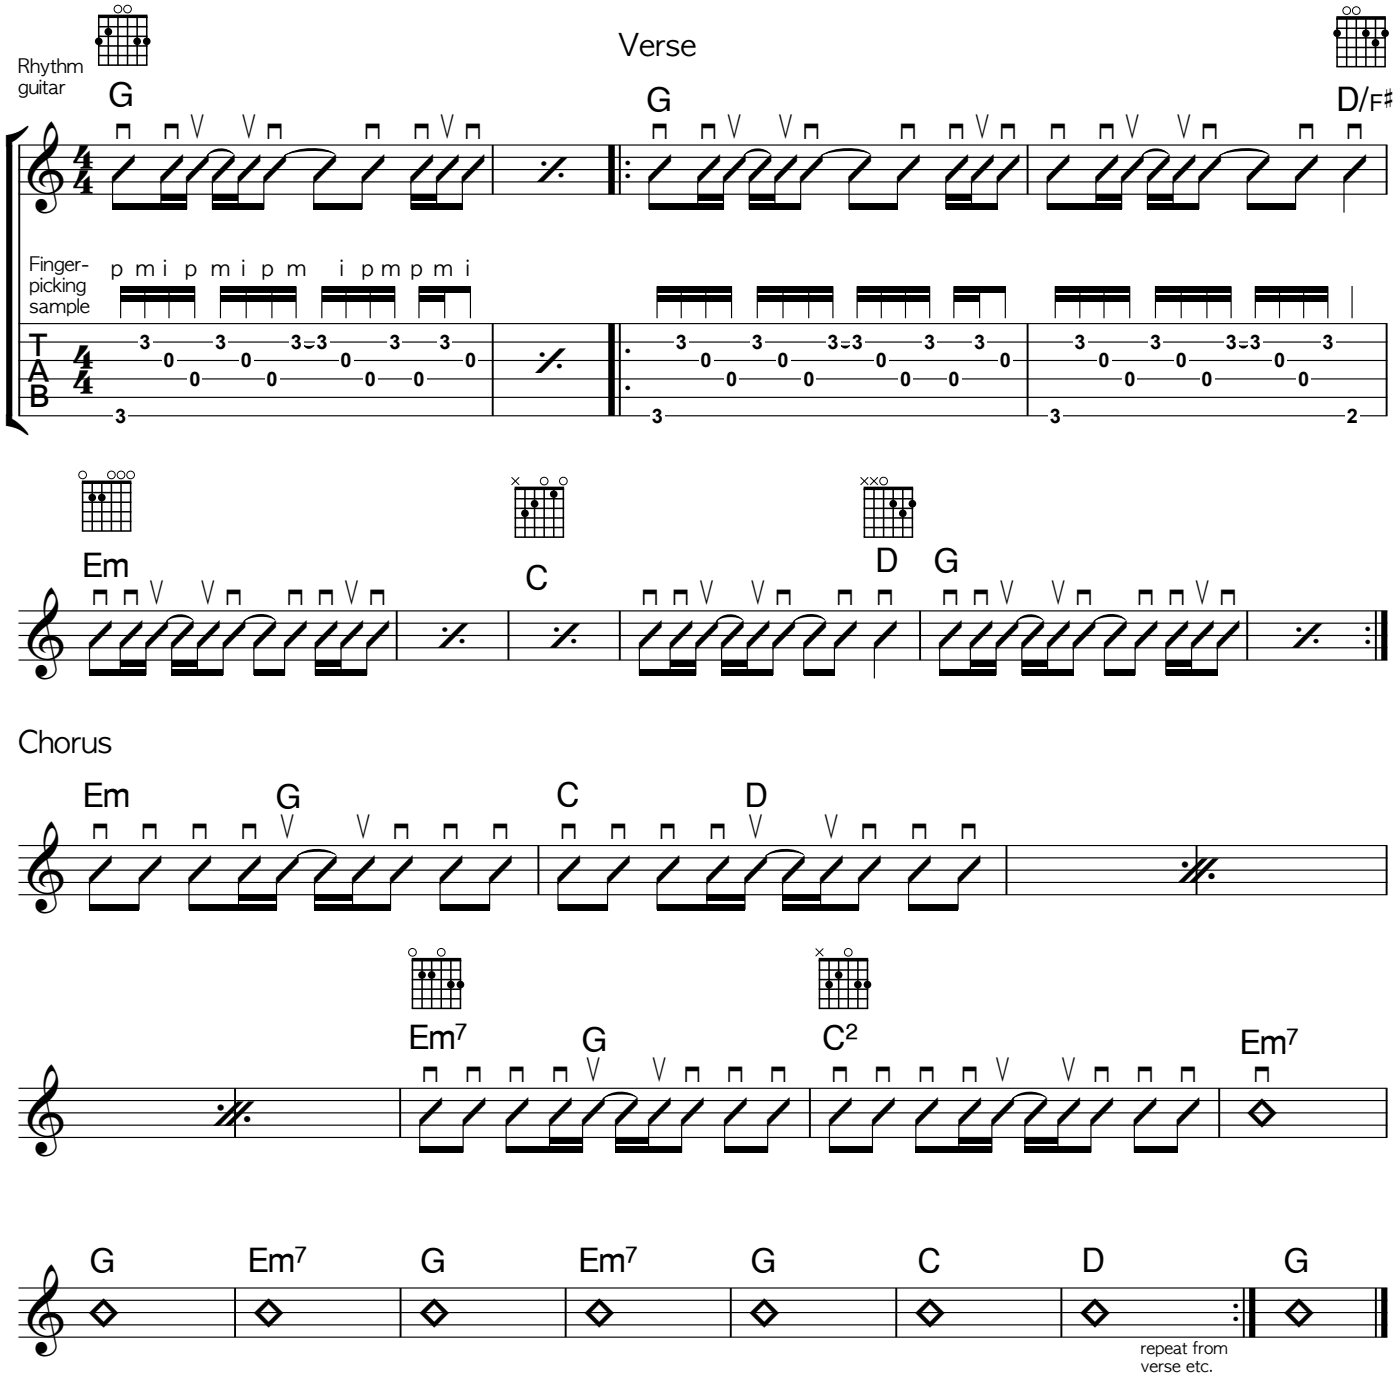
Drunk

Ed Sheeran



Having trouble getting chords and rhythm together?

The strumming symbols indicate the pick direction that creates the rhythm of *Drunk* - but Ed strums the acoustic guitar with his thumb! The thumb will produce a softer tone than a pick - use what is appropriate to the sound you want to make.

If you are unsure how tho read rhythms and follow a chart, check out ***Modern Guitar Chord Styles, Volume 1*** **-** it gives you a systematic approach to learning common chords and strumming patterns, rhythm reading, bar-chords, chord changing techniques, arpeggio picking and fingerpicking: the best rhythm guitar book you'll find !
