Having trouble with bar-chords & reading strumming patterns?

This is a great chart for Electric-guitar players but doesn't suit beginners: you need good facility with power-chords and with the F# Minor pentatonic scale. To learn more about bar-chords, power-chords, reading and playing rhythms, check out *Modern Guitar Chord Styles, Volume 2* - it's dedicated to Electric-guitar chords and rhythm styles and has heaps of insightful info and exercises to help refine your ability. Includes a handy reference CD to help you learn.

Disclaimer: This information serves only as a basic guide to the rhythm guitar accompaniment part for this song. This free chart is not a complete version of this song and is intended purely for the guitar education of the present user.
