

# I Will Wait

Mumford & Sons

Intro  (use Capo 1st fret for recorded pitch)   

Verse   

Chorus

## Having trouble reading rhythms ?

How come this chart isn't in TAB? Because repeated columns of numbers are more difficult to read! Seriously, writing strumming rhythms in TAB is actually not very helpful. This chart is written with professional standard rhythm notation (pro charts really don't use TAB) To learn more about reading guitar rhythms, chords, strumming patterns, bar-chords, chord-changing techniques, arpeggio & fingerpicking and more, check out **Modern Guitar Chord Styles, Volume 1** - it will give you a systematic approach to learning the techniques needed to get you playing confidently.

This arrangement and typesetting © Modern Guitar Tuition 2012
