Having trouble getting bar-chords and rhythm together?

Jungle is a real Electric-guitar song. If you're playing an acoustic you'll find the chords are too difficult to sustain over the whole song; don't risk damaging your hand. To learn more about Electric rhythm-guitar styles check out the very helpful **Modern Guitar Chord Styles, Volume 2**; a systematic approach to learning bar-chords, a variety of rhythm styles, chord-change techniques, arpeggio picking & advanced strumming techniques.
