Having trouble getting the chords & rhythm together?

All the chords used in *Losing My Religion* are introduced in *Modern Guitar Chord Styles, Volume 1* - the best rhythm guitar book you'll find anywhere. It gives you heaps of practical info about strumming, rhythm reading and techniques like open-chord changes (that's what the small 'o' over the last upstroke of the bar is indicating). There's plenty of realistic chord progression examples to help you master all the common chords, each one with a well recorded sample to listen to on the accompanying play-along CD.
