Having trouble getting chords and rhythm together?

Rebels Rule is not an easy chart. It mixes Rockabilly Shuffle rhythm with passages of straight quaver rhythm: definitely an advanced rhythm technique! This chart is written in professional standard rhythm notation: TAB does not create a clean, easy-to-read rhythm display. To learn more about chords and strumming patterns, rhythm reading, bar-chords, chord changing techniques, arpeggio picking and fingerpicking, check out **Modern Guitar Chord Styles, Volume 1** - it's the best rhythm guitar tutor you'll find & will introduce you to the techniques the professionals use.
