

Sixteen Saltines

Jack White

Electric Guitar

Verse 1, 2 & 4

Verse 3

D.S. al Coda

To Coda 2nd X

Solo: improv. E Blues 12th pos.

Having trouble with bar-chords & reading strumming patterns?

Sixteen Saltines is based on full bar-chords. It is not a suitable song for beginners: you need to have good finger & wrist strength to play whole songs with this many bar-chords involved. A good tip for the E to G chords in this song is to play the E without the index finger - keep it free to move straight into the bar form. To learn more about how bar-chords move along the fretboard and how to create concise Rock rhythms, check out **Modern Guitar Chord Styles, Volume 2**
